## **Be a supporter not a fan**

Supporters should respectfully applaud ALL positive play by both teams.

## **Respect the referee**

The referee's decision is final. Please avoid refereeing from the sideline. Volunteer with a club if you would like to become involved.

## **Stay off the pitch**

Let the players have space to play the game.

## **Support the coaches**

Coaches are volunteers and give up their time so your child can play.

## **Let them play**

Children are involved in sport for fun and enjoyment.
