Club Together

Getting to know your club

1. Pre-event

1. Identify gaps in volunteer base, liaise with Ulster Rugby staff if you require any help with role spec / job spec / gap identification.
2. Provide info to Ulster Rugby staff – club details, specific roles required, target audience.
3. Invite target audience to club for event.
4. Draw up a ‘brochure’ of roles that attending volunteers can consider. Role titles and a short description of role and commitment.

2. Event

1. Assist Ulster Rugby staff with the delivery of the information session.
2. Record interest of new volunteers and contact details for follow up.

3. Post-event

Follow up promptly with volunteers with opportunities, provide feedback to Ulster Rugby on the event and ask for assistance if needed on the retention of new volunteers for sustainability.
