Club Together

Getting to know your club

What is it?

Assistance to clubs who are looking to grow their volunteer base by delivering a short, informal information session to club members on what it takes to run a successful club on and off the field. The target audience for this event will be identified by the club, depending on the its need for volunteers

How does it happen?

Ulster Rugby staff have developed a simple flow chart to define the step by step process to engage in the Club Together programme.

Simply contact our Volunteer Development Officer, **Nicci.Wilson@ulsterrugby.com** to get started.

What does our club have to do?

1. Work alongside dedicated Ulster Rugby staff to identify needs and work together to map out the volunteering structure.
2. Host a short information session and invite your target audience e.g., Girls Youth parents.
3. Commit to following up the leads identified during the event.

How will Club Together help my club?

1. Club members/parents develop a better understanding of what it takes to run your club – a lot more to it than just coaching.
2. Members/Parents learn more about who is involved in running the club e.g. Club Welfare Officer, Mini Convener, Women & Girls Convenor etc..
3. We hope that by engaging you will receive interest from new volunteers, who wish to play their part moving forward.
